Prez Sez

The last month has been uneventful for me as far as the hobby goes. I am looking forward to the NOARS Winterfest March 10 at Lorain County Community College and hope to see a great turnout. I pilled out my Pi-Star, plugged it in, and updated the firmware, which I had not done in a while. With all the devices that have firmware and updatable software now, it can be difficult to keep them up-to-date. They sit on a shelf or drawer until you decide you want to use them again. Then you end up spending most of the time updating the device to either get it to work or add the new functionality you wanted to explore. I usually check for updates at least monthly, or when the

operating systems come out from the vendors. I think I will make a list of devices and add those as well, not that I have the time for that. I pulled out the NanoVNA which was behind an update. Since I have never updated it, I can say that it was not straight forward, like most updates, but the update was successful. The update wiped out all the settings and calibration, so I had to run through that again. I installed an SD card in it this time to save some of that for easy import next time.

73'

John, W8LYO

The Membership Meeting will be Monday, March 18 at 7:00 PM.

North Olmsted Library, 27403 Lorain Rd.

Learn about Skywarn with Andrew, KE8WMS

NOARS will send Zoom meeting information via email.

Nets

NOARS nets are Tuesday nights at 8 PM on 28.370 MHz, Wednesday nights at 7 PM on 146.700 MHz, PL 110.9, and Thursday nights at 8 PM on 146.700 MHz, PL 110.9. All licensed amateurs are welcome. Participation is encouraged and appreciated.

Winter Hamfest on Sunday, March 10, 9AM, LCCC. See flyer at the end of this newsletter for more information.

Proposed Amendment to the Constitution of The Northern Ohio Amateur Radio Society

It is proposed that the Board of Directors section paragraph 1 be amended from the current:

“1. The principal governing body shall be a Board of Directors, consisting of the four current officers (President, Vice President, Secretary, and Treasurer), plus the most recent past president and two (2) full members from the general membership, hereafter known by and referred to as the Directors.”

To this revised version, the changed text is highlighted:

“1. The principal governing body shall be a Board of Directors, consisting of the four current officers (President, Vice President, Secretary, and Treasurer), plus the most recent past president and **three (3)** full members from the general membership, hereafter known by and referred to as the Directors.”

The first vote will be at the membership meeting on March 18.

The second vote will be at the membership meeting on April 15.

New Member Correction

Mark Hayden, KG4SCK, was listed in the February New Members as Mark Bolus. Names are important.

We apologize for getting yours wrong.

Program Committee News

Bob Plow, W8NNC, has resigned from the Program Committee. Thank you, Bob, for the good work and support you've provided the Program Committee over the years. An exciting change to the committee is that Paul

Sultan, KE8WHG, has assumed the role of Chairperson. We are looking forward to some great movement forward. Thanks, Paul!

Amateur Radio License Testing at the NOARS Winter Hamfest

The NOARS VE Team will administer tests at the NOARS Winter Hamfest on Sunday, March 10 at Lorain County Community College, 1005 North Abbe Rd., in the

Spitzer Conference Center. Testing will be in CU106, accessed through the door to the far left of the main room. There will be signs pointing the way.

March 2024 Social Events

Tuesday Lunch on March 5 at noon at the Golden Corral, 1519 West River Rd., Elyria. If you like to talk and eat tasty food, the Monthly Lunches are for you. All are welcome.

Weekend Lunch on Saturday, March 9 at 12:30 at Blue Sky Restaurant, 802 Cleveland Street, Elyria. We have reservations. All are welcome!

Winter Hamfest on Sunday, March 10, 9AM, LCCC. See flyer at the end of this newsletter for more information.

Thank You to Those who Serve

America may run on Dunkin', but NOARS runs on volunteers. We have many generous souls who give of their time and talents to benefit the club. If you'd like to see who is involved in keeping NOARS going, look at the NOARS information on the second-to-last page of this

issue of the Log. When someone asks you to serve, perhaps by helping at an event, such as Hamfest, or being on a committee, please say yes. It's a great way to feel the satisfaction of service, and to get better acquainted with other members of NOARS.

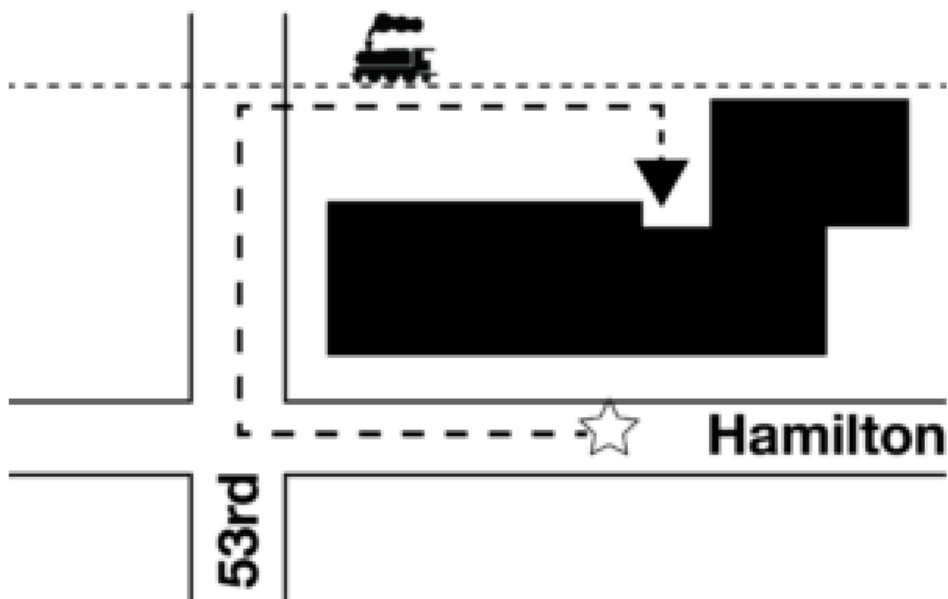

NOARS Makers' Event: Get Ready for Fox Hunt Season

Learn how to fox hunt! Pick up some basic antenna theory! Build a Yagi antenna for fox hunting! Discover fox hunting strategies and participate in a fox hunt, all in one night! You won't want to miss this.

The event will be **Saturday, March 23 at the Makers'**

Alliance in Cleveland. While the address is 5401 Hamilton, *don't* come in via any entrances along there. Enter the complex via E. 53rd (where the Ingenuity sign is), and come into the normal-sized door to the right of the "Dock 5" and "Dock 6" roll-up doors.

Fill out RSVP form at: <https://forms.gle/nCByAE5N76RKNF177>

Heard on a Net

On a recent net Dan, K8AGW, told us that sixty-eight years ago in February he received his amateur radio license when he was fifteen years old. Passing the test was a family affair, as he and his father studied and tested together. A co-worker introduced them to the hobby.

Dan's call sign at that time was KN8AGW. His father's call sign was KN8AGV. They both successfully moved ahead in the hobby, Dan becoming K8AGW and his father K8AGV. Years later, Dan's son, Charlie took his grandfather's call sign and became K8AGV.

Dr. Jack Does it Again, and Then Some!

Dr. Jack Nilsson, N8NDL, is donating a COMPACTenna 2Meters/440+ to NOARS for a door prize at the Winter Hamfest, which will be March 10 at Lorain County Community College. He also is donating a 2Meters/440+ to Cuyahoga County ARES for their vehicle. Thank you Dr. Jack!

Dr. Jack is an inventor whose current invention is the 20/40Micro, a tiny HF antenna, only 10 inches tall. It's designed for HOAs and homes. It makes the impossible possible. For more information on these and other antennas, go to the COMPACTenna website at <https://compactenna.com>.

NOARS February Weekend Lunch

Twenty-nine gathered at the February NOARS Weekend Lunch. That's the most we've ever had. Folks from SARA and LCARA were there. Awesome! The March Weekend Lunch

will be Saturday, March 9 at 12:30, at Blue Sky Restaurant, 802 Cleveland Street, Elyria. As usual, all are welcome.

February Tuesday Lunch

Twenty-one enjoyed the camaraderie and Golden Corral food at the Tuesday Lunch. We had two new guests: Jake and Brittany Obergas who are Josh, KE8YUG's brother

and sister-in-law, and two returning guests: Ronda and Pearl, wife and daughter of Ed Gale, KA8MRD, respectively.

Dan and Ann and POTA. Will There be Blimps?

What? Doing POTA from a blimp? That would be awesome, but no. Dan, W8AJF and Ann, KA8ZEP were hoping to see a Goodyear blimp since their airbase is at Wingfoot Lake in Akron, which is where Mr. and Mrs.

POTA were headed to do POTA. Though no blimps were seen, the couple had a great time making POTA contacts at Wingfoot Lake, after which they moved across the park to the Wingfoot Wildlife Area for more POTA fun.

NOARS MEMBERSHIP MEETING MINUTES

February 19, 2024

Submitted by Connie, K8CCS

The meeting was held in person at North Olmsted Public Library, and via Zoom. It was called to order at 7:00 p.m. by club President John, W8LYO.

Total number of people in attendance: 35 (27 attended in person; 8 attended via Zoom).

Pledge of Allegiance.

Introductions and roll call of all in attendance.

Motion to accept the January meeting minutes as published in the NOARS Log was made Dan, W8AJF; seconded by Bob W8OOT. Minutes accepted.

COMMITTEE REPORTS:

Treasurer's Report – Eric, KE8VZA

Total Deposits of \$497 of which \$307 were dues; \$10 Donation Betsy, W2CBZ; \$180 deposit was made from DX Engineering to advertise in our NOARS log for 2024.

Expenses totaled \$335.41 and consisted of the Windstream internet of \$80.00; reimbursement of \$55 to John, W8LYO for gifts and \$200 to Elaine, KC8FOS for DX Engineering gift card.

Motion to accept the treasurer's report was made by Josh, KE8YUG; Seconded by Ed, KA0MRD. Treasurer's report was accepted.

Membership – Carl, W8KRF – Membership is 123. A few members will receive notices that they have 14 days, and then 10 days, to renew and then their membership will expire.

Website – Carl, W8KRF – The website is up to date. Josh KE8YUG will help with the website after the Hamfest.

Repeater – Carl, W8KRF – No change.

Winter Hamfest – Carl, W8KRF – Still need some helpers at the Hamfest. Arrive at the venue at 7:00 a.m. to set up. Tables are still available at \$10 each.

Club Property – Carl, W8KRF – No change in club property.

Field Day – Carl, W8KRF – There is a joint committee for Field Day. A member of NOARS needs to be on the committee. We have sponsored this event for the last five years, but LCARA has been the operators. There were only two operators from NOARS last year.

Social Committee – Elaine, KC8FOS

NOARS Tuesday Lunch is March 5 at noon, Golden Corral in Elyria. Everyone is welcome.

NOARS Weekend Lunch is March 9 at 12:30, location to be determined.

Makers Event on March 23 at 2:00 p.m. at the Cleveland Makers Alliance. Eric, KE8VZA – The Cleveland Makers Alliance is located in an old warehouse. They have a lot of expertise to help us build fox hunt antennas. A shopping list and how to sign up will be provided in the NOARS log. There will also be an indoor fox hunt to culminate the event.

Programs – Elaine, KC8FOS – The March program will be presented by Andrew, KEWMS regarding Skywarn.

VE Team – Elaine, KC8FOS – There are six graders scheduled for the test at the Hamfest.

Sunshine – Tom, W8KYZ – Russ, WB8UPA has been in Royal Oak Nursing Home in Middleburg Heights, Ohio.

Newsletter – Tom, N8FDY - The deadline for articles, photos, etc. is February 25. We will have lots of room for ads since there will be several that will fall off. If you have anything to sell, please submit an ad. If you have photos of POTA or antenna work, please also send them to me.

Continued on page 14

Continued from page 13

Nets – Jeany, KC3QND – nets have been good. Even 10 meters has picked up.

Old Business – No old business.

Dr. Jack N8NLD – He will be at the Winterfest and will donate a 2 meter/440+ base antenna. He also introduced a 20 meter and 40 meter 10” antenna that has just been released on his website. It’s designed for HOA and homes. It makes the impossible possible.

New Business

2024 Budget – John, W8LYO presented the 2024 budget. It was noted that we have been dipping into reserves to balance our budgets. We will either need to increase membership or something else, in order to balance the budget. A discussion was had regarding several of the expenses. A motion was made to accept the 2024 budget as proposed by Carl, W8KRF; seconded by Tom, W8KYZ. The 2024 budget was approved by a majority vote.

Amendment to the Constitution – John, W8LYO presented a proposal to amend the Constitution to add a third member of the club to the board. Currently the board consists of the current officers, the past president and two invitees. The board would like to add another member to the board for a total of three invitees to get more membership input during the board meetings.

The proposed Amendment to the Constitution will be published in the March NOARS Log. Another vote will be held at the March membership meeting and published in the April NOARS Log. Another vote will be taken at the April membership meeting. If approved, the approved Amendment to the Constitution will be published in the May NOARS Log. A Motion to publish the proposed Amendment in the March NOARS log was made by Jeany, KC3QND; seconded by Pete, KE8NQK.

Motion to Adjourn the meeting was made by Bill, K2WJS; seconded by Rich, KE8YUP.

Meeting Adjourned 7:33 p.m.

Presentation – John, W8LYO – FT8

THE BEST GEAR...RIGHT HERE!

Check out our new, more spacious Showroom Monday through Saturday, 9 am to 5 pm. Or place your orders and pick them up at the curb. Here's how:

- Pick-up available from 9 am – 8 pm, Monday-Saturday and 9 am – 7 pm, Sunday.
- Place your order at DXEngineering.com or by calling 1-800-777-0703. All orders must be prepaid.
- Pull into a designated curbside pickup space in front of the Summit Racing Retail Store. You will need valid ID, your order number, and the physical credit card you used or Pay Pal receipt.
- Only the person who purchased the item may pick up the order.

We look forward to seeing you!
